10. Fabric Issues

Faculty Applications:

1. At its July meeting, PCC was informed that an Interim Faculty had been granted to investigate and repair a water leak.

Proposed by Claire Price and seconded by Alison Philipson, PCC resolved unanimously to apply for a full faculty for the work, noting that the leak had now been located in the narthex kitchen area and repaired.

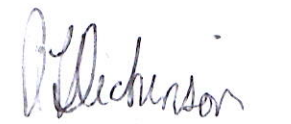

2. Wi-Fi. The Fabric Committee had recommended to proceed with the installation of a full Wi-Fi system in church. It was proposed by Florence Bignell, and seconded by Anne Collett-White that a formal application for a faculty for the work be made. The PCC resolved unanimously to apply for a faculty for the work required.
3. Pinnacles/Southside Glazing.

In connection with the Quinquennial inspection of 2019, the church architect had listed items for action over the next 5 years.

- The pinnacles to the SE and SW of the south porch need to be reinstated
- Repairs needed in the South Aisle to the Masonry
- Glazing repairs including the Sacristy window

Proposed by Claire Price and seconded by Anne Collett-White, the PCC resolved unanimously to apply for a faculty for the work required

I confirm that this is a true extract of the *unconfirmed* minutes of the PCC meeting held on 16<sup>th</sup> September 2020.
